Say the picture name and listen for the sound you hear at the beginning or in the middle, wherever the blank space appears in the word below the picture. Then write the missing sound in the blank space. (Pupils are not expected to read the words, but they can see where the missing sound appears -- beginning or middle.)

Color each picture that has a color word beside it.

Reinforcement of short vowels and color words purple and orange.
Choose the correct word starter from the box to write under each picture.

Write yes under tools used in the shop. Write no under the other things.

Review of word starters.
Teacher: Have pupils read the story in class. Then ask: "Which sentence is a question? Do you know? (It is followed by a question mark.) Take your pencil and draw a line under that sentence." After you see that each pupil has done it correctly, lead them to find and underline the other three questions also. This will help them in copying. Then help them find the six pairs of rhyming words and draw circles around them. To make sure they pair the words correctly when writing them below, you may ask them to circle each pair with a different color.

DUCKS

Look at the ducks go. Will a duck buzz? No, but a duck has fuzz. And a duck can swim. Look at him. Can ducks quack? Yes, ducks can quack. Is a duck black? A duck is black on its back. It will set on its eggs. Will Biff get the ducks? Biff must not get the ducks.

There are four questions in the story. Write them on the four lines below.

Find 6 pairs of rhyming words in the story to write on the lines below.
Answer each question with a complete sentence.
